Dear Sir/Madam

**RE: INVITATION TO THE INAUGURAL ISAIAH SHEMBE PUBLIC LECTURE**

The Ujamaa Centre for Community Development and Research in the School of Religion, Philosophy and Classics (SRPC) in partnership with the Nazareth Baptist Church (Ebuhleni) cordially invite you the inaugural Prophet Isaiah Shembe Public Lecture.

The details are as follows:

**Date:** 29 July 2015  
**Theme:** The contribution of Prophet Isaiah Shembe to African Biblical Theology  
**Speaker:** Prof Gerald West, SRPC, UKZN  
**Venue:** Colin Webb Hall, UKZN, PMB  
**Respondent:** Rev FI Ngidi, Nazareth Baptist Church, Ebuhleni  
**Time:** 16h30-18h30

The Prophet Isaiah Shembe lecture is a 'new project' within People's Theology Programme of the Ujamaa Centre. It is an attempt to provide 'space' for previously marginalized voices within the social, cultural and religious discourse to critically engage with the dominant narrative.

Looking forward to your positive response and participation. Refreshments will be provided after the lecture.

Regards

Prof. R. Simangaliso Kumalo
